SATURDAY 29 NOVEMBER 2025 THURSDAY 27 NOVEMBER 2025 WEDNESDAY 26 NOVEMBER 2025 SATURDAY 22 NOVEMBER 2025 THURSDAY 20 NOVEMBER 2025 The UK49s Lottery is an instant win game with daily draws. The lottery has two draws daily, seven days a week. These draws are known as the Lunctime results and Teatime results draw. The lottery can be played the traditional way by choosing all 7 numbers correctly to win the Jackpot. The alternative way to play is bet on one, two, three or four balls. Most players has discovered that this increases your chances of winning significantly. To get started, first choose which draw you want to enter and how much you want to bet. Then place your bet with the bookmaker of your choice. The Uk49s Lottery, based initially out of the United Kingdom is a very popular lotto for punters here in South Africa. Its estimated that about 3 million South African punters play the Uk 49 Lotto Daily. The 49s Lotto was owned by GVC Holdings and William Hill company and has been fully acquired by Sports Information Services (SIS). Sports information services are now responsible for the 49s lottery and provide number betting to more than 10,500 betting stores worldwide. Many websites that display uk49s results will always advise South African punters to play the full six-ball lotto, including the bonus ball. However, this is incorrect as the odds of winning are much lower. Playing a seven-ball string has a 1 in 1.5 million chance of winning. To increase your odds of winning with the 49s lottery, we suggest you wager on one, two, or three balls. This reduces your odds significantly and increases your chances of winning. The Uk49s lottery has two draws a day. The first draw is known as the Lunctime results draw. The draw takes place at lunctime, UK and South African time. Normally, punters prepare for the first draw of the day. They do this by studying previous numbers and history results from the Uk49s Lottery. Then when they are ready and numbers have been analyzed, they prepare for the first lunctime draw of the day. Uk49s lunctime draw happens at 13:50 PM and results are released on our website from 13:54 pm everyday, seven days a week. The only days the uk49 lottery is not drawn are Christmas and Boxing day. Due to daylight savings time, the draw time changes once a year to 14:50 PM for Lunctime results. We provide helpful lunctime predictions for our users. We provided predictions free of charge for one year for users to test and analyze. It was a Huge success and many punters were winning.
