Great lakes virtual academy

The MGLVA Staff boasts an impressive group of experienced educators, all possessing valid teaching credentials and meeting the "Highly Qualified" standard set by No Child Left Behind. The core of a successful learning environment is built on collaboration between students, teachers, and parents. As Amy Lepley, K8 Principal at MGLVA, emphasizes respect, positivity, warmth, and consistency for each child, their family, and the community. In today's rapidly changing world, a relationship-based approach is vital in helping students achieve their goals. Amy and her husband Mike made Michigan their permanent home to pursue their dream of living amidst nature. The couple shares a love for outdoor activities, reminiscent of Louisiana, but minus the alligators and mosquitoes. Amy often finds herself admiring Bald Eagles outside her office window, while Mike is now the Middle School Principal at MGLVA. Anthony Kinkle, Middle School Principal, reflects on his transition from 8th-grade teacher to principal, highlighting the importance of this phase in students' growth towards independence and lifelong learning. He and his family enjoy spending time outdoors through activities like disc golf, hunting, fishing, camping, and kayaking. The MGLVA staff includes dedicated educators who are passionate about their subjects and students. Some notable staff members include Amy Lepley, K8 Principal; Anthony Kinkle, Middle School Principal; Rachel Dombrowski, a certified teacher with a BS in Elementary Education from Oakland University and a Master's Degree in Educational Leadership; Samantha Foutch, also a certified teacher and "Highly Qualified" in Language Arts and Mathematics; and Amy Lepley, who earned her Bachelor's Degree in Psychology from Michigan State University and Master's Degree in Educational Leadership. Their personal interests range from gardening and decorating cakes to spending time with family and reconnecting with nature. The staff is looking forward to a great year, filled with positivity, warmth, and consistency for all students. Great Lakes Virtual Academy as Kindergarten Teacher I enjoy the flexibility and individualized instruction possible through virtual education. When I'm not teaching, I'm a sports-loving mom to two kids, Bobby and Ella Kate. We love spending time together as a family, whether we're kayaking, camping, or at the beach. We live on Michigan's west side in Norton Shores. I grew up in Midland and currently reside in Sanford, just a short drive from my hometown. I graduated with a degree in Elementary Education from Central Michigan University in 2010. This is my second year teaching virtually, and I'm excited to join the MGLVA team. When I'm not teaching, I love cooking, crafts, reading historical fiction, and enjoying the outdoors. I also teach dance classes at a local studio and continue to be a dance student myself. I enjoy teaching and getting to know my students. I look forward to a great year ahead. As for me, I live in Battle Creek with my wife, Jen, and three kids. I was born and raised near Luther, Michigan, and have been teaching for 19 years. I hold a degree in Elementary Education from Central Michigan University. Hello! I'm Mrs. Schlenvogt, but you can call me Mrs. S. I teach 7th grade English Language Arts and am thrilled to join the MGLVA team this year. I graduated with a B.A. in Elementary Education and a Master's degree in Curriculum and Instruction from Central Michigan University. I love reading, writing, swimming, crafting, and spending time with my family. I'm Mrs. Weber, and I'm excited to be part of the MGLVA team. Technology has brought me joy from Michigan State - taking online classes that sparked my passion for virtual teaching! It's a dream come true combining Language Arts and Technology. Before this, I taught ELA in 7th grade and then 8th grade for a year. After having four kids, ranging from 8 to 2, we live in the Lansing area where I spend time with them when not teaching. My other minor is Earth Science, so I love exploring nature, fishing, or riding quads and snowmobiles. Denise Lijewski (pronounced "Lee-s-ski") here, your eighth-grade teacher this year at MGLVA, Michigan State University graduate, and working on my master's degree there. When not teaching, I enjoy going to the beach with friends, running, and playing sports. I'm also helping coach cheerleading. Denise Lijewski (pronounced "Lee-s-ski") here, your eighth-grade teacher this year at MGLVA, Michigan State University graduate, and working on my master's degree there. When not teaching, I enjoy going to the beach with friends, running, Katie and Lucy enjoy time with their dogs and two lazy cats, Rookie and Midnight, at home. The best family times come from visiting the cabin north of town to relax. I'm expecting a great year ahead and looking forward to making a difference. Hi! Living in Port Austin, Michigan's thumb tip, is unique - here you can see sunrises and sunsets from one spot. I like working with kids, having done classroom teaching and special education roles. I especially love the primary grades. My son lives in Bay City, and my mom lives next door at 81. Free time hobbies include reading, gardening, and spending with family and friends. Hello! A CMU grad (Go Chips!), I'm excited about working with your child at MGLVA in Bay City with labradoodle Nora. Traveling and teaching abroad were highlights - now I enjoy hiking, camping, or family outings. Hello, I'm Mrs. Campbell, part of the MGLVA family now! Teaching children from preschool to high school was rewarding, even time in UAE. CMU's Elementary Education degree and online Master of Arts in School Principalship are current pursuits. Teaching is my passion - I look forward to sharing that enthusiasm with students. We live in Howard City with four kids: Seth 8, Jacob 6, Navia almost 2, and Malcom 1 month. Summer is a favorite time for outdoor activities on our restored pontoon boat. When we need indoor fun, we watch movies, read together, or play games! I'm excited to get to know you this year - an amazing school year awaits at MGLVA with endless possibilities. Given article text here Looking for an online space where you can socialize with friends, learn new things, and have fun? The MGLVA K12 Zone offers a unique experience that combines learning, friendship, and entertainment. Students can participate in scavenger hunts, view art competitions, attend school assemblies, play collaborative games like chess, and more. The zone is designed to foster creativity, socialization, and community, with a focus on getting to know others within the school. Parents love that their children can concentrate on learning while still having fun, and teachers appreciate the freedom from traditional classroom constraints. Students can design and customize their own avatars and explore the Big Universe and student store. There are many activities available, including e-sports teams, games like tic-tac-toe and rock-paper-scissors, and more. The K12 Zone is monitored by trained moderators who ensure a safe and respectful environment for all students. MGLVA is dedicated to providing consistency for students as they explore their passions and build their future. They offer support throughout the student's time at MGLVA and provide necessary information to ensure a successful learning experience. The Michigan Great Lakes Virtual Academy (MGLVA) elementary school program provides a strong academic foundation for future learning, helping children explore and discover their world in a safe and caring environment that accepts and encourages diversity. We strive to create an environment that fosters academic excellence, where students' individual needs and lifelong passions are nurtured. By partnering with schools, families, and communities, we aim to develop a skilled workforce that benefits the community. Our administration is dedicated to supporting student goals and high expectations, fostering strong relationships between students, learning coaches, and teachers.
