I was crushed to hear about Jius-Sims retiring from Sims 4 cc making (June 2024) but thankfully their incredible creations will live on because they are unmatched. Among many of their Sims 4 cc packs the Violet collection is an all time favorite of mine. Just about every one of my pixel babies has worn those rain boots with socks or the daisy flower sandals at some point in their adult life. Lol. As an avid family style gamer I love seeing items that help bring my story to life. It's in the details and Sims 4 cc packs like this one that add realistic looking maternity clothes just makes me smile so big . I personally really loved the casual, hanging-around-the-house vibes of the Growing Together CAS and love that this pack gives me even more options! Isn't Sims 4 cc amazing? And I absolutely love it when Sims 4 cc packs expand on things we already have in game! It's like an extra little gift on top. Pssst: there's a part 2 to this set right over here, as well! There is a specific reason that this is one of my favorite hair Sims 4 cc packs: it looks like the same exact hair in two different styles! I love the realism that adds to your Sims' various looks. I really am a sucker for the small details, lol. This cc hair pack is by arethabee, so you KNOW it'll be a good one! It features two pigtail cc hairstyles, version that is a pigtail bun cc. Both styles have an ombre cc version, which is SO fun. I love giving my Sims some funkier hair colors, it never gets old. Note: if you're looking for more cute 'dos, check out my Sims 4 cc hair round-up! Tonssss of great arethabee styles over there. The Secret Society CC pack by aretha (arethabee) is one of my favorite female clothes Sims 4 cc packs! It's giving dark academia vibes, and I'm here for it. This cc pack includes 4 hair cc styles with a headband accessory cc and bow accessory cc accordingly. It comes with a cc choker (which I am in LOVE with), 1 dress cc, 2 cc tops, 1 cc jacket, 2 cc skirts and 3 cc pants for female frame Sims. I just love how versatile this pack is! The hairs are adorable (I use the ponytail cc with the bow all the time), And the clothes can be styled up or down. One of my must have Sims 4 cc packs for female clothes cc! Sentate is one of my absolute favorite cc clothes creators, by far! Lately, I have been obsessed with March 2023 cc clothes pack. This cc pack comes with 2 long dresses, 1 short dress, denim shorts cc, knee high boots cc, and an amaaaazing cc leather jacket! I LOVE that jacket with my entire heart, y'all. The texture? "chee's kiss" Sentate's female clothes cc tends to feel a little higher-end or luxury, and this set is no different, but I do feel like these styles lean a little more casual and are great for everyday wear, too! Definitely one of my favorite Sims 4 cc packs, which is why I'm including it here! If you're looking for some new Sims 4 lingerie cc, look no further than the Boudoir cc pack by Sentate! I absolutely love this cc pack, and it's a great addition if you have the Simtimates CAS Kit! This is one of my most-used Sims 4 cc packs (I can't get enough of that super basic classic bra and underwear set, if I'm being completely honest! ☺️) There is a good blend of outfits as well as some that make great PJs! Aaaaand this cc pack even comes with male cc, so it's a definite winner in my book. Sentate can do no wrong, as far as I'm concerned! Pssst: if you love the Boudoir CC pack as much as I do, check out Sentate's Midnights Collection! And if you want even more firey fits in your game, I also freakin' LOVE Sentate's Scandal Collection too. The Sulani Swimwear collection by RenoraSims is one of my favorite Sims 4 cc packs for pool wear! It's beautifully maxis match cc and fits in perfectly with the Island Living items. The cc pack includes: 4 new swimsuits, and 3 Island Living Recolors to give you even more options! I really loved the swimsuits we got with Island Living, but love how this cc pack expands on those styles and gives us some high-waist options! The strapless top with the high-waist bottom is one of my favorite swimsuit cc pieces, for sure! If you love the look of haute couture or designer fashions, then you NEED to check out Sentate! I absolutely love this Sims 4 designer clothes pack—it just screams fancy. This clothes cc pack includes 6 new items that will cover your glam gals from the board room to the dance floor. I think my favorite piece of all is the dress cc with the cut out stomach! It's SO chic and, at the same time! Sentate makes some of the most incredible Sims 4 cc packs for clothes cc! Maybe it's because I myself am a total homebody, but I can't get enough of this cozy sleeper cc pack! This cc pack is by Caio and Serenity, and it's a must-have in my game. Almost allllll of my female Sims wear that silk nightgown and cc robe combo, lol. It's just too perfect! The textures, the color swatches—I am obsessed with this set! It's perfect for a girl's night in doing face masks and painting each other's nails. The eyemask CC is also so freakin' adorable. Honestly, I don't use it that much in my personal gameplay since I think it looks a little silly seeing a sim walking around with it on, haha. But it is GREAT for photo ops! It's a little spooky how much I love this Sims 4 cc pack. Puns aside, uhmm... this pack absolutely SLAPS! It is the perfect blend between being versatile while also feeling very Halloween-y. The bell-sleeve dress cc is definitely an item my Sims wear, no matter the holiday. And I am obsessed with the floor-length coat. This cc pack is just amazing. And if you're dying for more cc costumes for your Sims to wear to Spooky Day, you need this pack! Definitely one of my favorite Sims 4 cc packs! This might be the most adorable of all the Sims 4 cc packs! It has the cutest child cc! I think I've ever seen. I love how colorful and unique each piece is! This cc set includes 6 new items. You'll get a freakin' adorable froggy hat cc, 2 child swimsuit cc pieces, a child dress cc, and a crop top with the funkiest cc jeans. Usually child Sims don't get nearly as much love as young adult/teen Sims, so this cc pack made me really happy. And it also happened to be literally so precious. A must download, in my opinion! WhisperingSimmer makes the best maxis match piercing cc for the Sims 4, in my opinion! WhisperingSimmer has made: nosechain cc, dolphin bites, nose piercings, snake bites, spider bites, a bridge piercing, a medusa piercing, dimple piercing, angel bites, and a Monroe piercing. Plus, they're always the cutest, trendiest styles. You'll definitely want to add this to your Sims 4 cc packs collection! And if you're looking for some more formal shoe options, I also love their Coco Collection! Confession: I also forgot about jewelry cc in my game, often! But just like shoes, they're such an amazing final detail to polish off a complete look. I love how this cc by Joliebean makes it easy to coordinate your jewelry pieces, since they take a lot of look great together. There are lots of fun swatches on these items too, and it's very spring inspired, which I love. I've found that finding GOOD maxis match tattoo cc is so, so hard. When I found this set of chest tattoo cc, I was over the moon! The colors, the lines, just the aesthetic fits SO good with the in-game tattoos! These are so well done. Myshunosun definitely makes some of my favorite Sims 4 cc packs when it comes to tattoos! This collection has six variations of chest tattoos, but they also have a set of arm tattoo cc inspired by stick-and-pokes here! And if you're looking for some more formal shoe options, I also love their Coco Collection! Confession: I also forgot about jewelry cc in my game, often! But just like shoes, they're such an amazing final detail to polish off a complete look. I love how this cc by Joliebean makes it easy to coordinate your jewelry pieces, since they take a lot of look great together. I'm not crazy about the super chunky gold earrings, but I love the simple hoops and the pearl and chain layered necklace. So elegant and trendy at the same time. Joliebean's Sims 4 cc packs are always next-level quality, and maxis match to boot. So it's hard to say no to their creations! I actually included a GORGEOUS cc pack by Joliebean over on my wedding dress cc round-up, if you're interested! When you download this cc pack you'll get: 2 bracelet cc with pearls and gold, 2 necklace cc options with pearls and one with a chain, and 3 earrings cc including big hoops, small multi hoops, and an abstract gold style. The wedding dress cc pack is such a versatile one to have in your game! Truthfully, if you only downloaded one wedding cc pack, this would be a great one to choose. Icecreamforbreakfast included: 1 long wedding dress cc, 1 midl length wedding dress cc, 1 wedding jumpsuit cc, an elegant hat/bun cc, and a BEAUTIFUL veil cc! If you're looking for even more dresses, check out my wedding dress cc round-up! What I love about this pack is the bride could wear all of these outfits, or you could use them for the mother of the bride or even wedding guests! See what I mean by versatile?! There are lots of fun swatches on these items too, and it's very spring inspired, which I love. I've found that finding GOOD maxis match tattoo cc is so, so hard. When I found this set of chest tattoo cc, I was over the moon! The colors, the lines, just the aesthetic fits SO good with the in-game tattoos! These are so well done. Myshunosun definitely makes some of my favorite Sims 4 cc packs when it comes to tattoos! This collection has six variations of chest tattoos, but they also have a set of arm tattoo cc inspired by stick-and-pokes here! If you love minimalist furniture cc, then you will love this Ikea Sims 4 pack! Simkea Furnishings is one of the Sims 4 cc packs by IllogicalSims and it perfectly models the simple Scandinavian design we all love about Ikea so much! There are over 45 new objects in this Sims 4 furniture pack, including kitchen cc, bedroom cc, bathroom cc, living room cc, and more! It's all base game compatible, so everyone can enjoy this one (just like we all enjoy Ikea lol, lol). This Ikea cc pack is definitely one of my favorites for basic pieces. This bright and cheerful Sims 4 cc pack makes me smile whenever I see pieces from it. This 14 piece living room collection will brighten up anyone's day. There are couches, tables, curtains and decor but my favorite item is the adorable flower cushion! I always set up Ulukai as a tourist world for amazing tropical vacations so when I stumbled across this pack I had to have it. This 20+ piece maxis match Polynesian inspired souvenir set is perfect for filling up a local gift shop or just buying something from build/buy mode as a lovely memento from your Sims incredible beach honeymoon. It's no secret that Awingedlanna is one of my favorite Sims 4 cc creators and it's also no surprise that I'm also a bohemian goddess at heart soooo... you had to know that this Boho Living Sims 4 cc pack would be on my list! This insane 80 piece set is a boho lover's dream. Rattan furniture, fluffy pillows and plants for every corner and shelf to make this pack a must download. A must download, in my opinion! WhisperingSimmer makes the best maxis match piercing cc for the Sims 4, in my opinion! There are a ton of options if you play with alpha (or maxis maxis aesthetic), but as someone who prefers to stay strictly maxis match it has been challenging to find ones that I love. But look no further! This piercing cc pack is everything you need! WhisperingSimmer has made: nosechain cc, dolphin bites, nose piercings, snake bites, spider bites, a bridge piercing, a medusa piercing, dimple piercing, angel bites, and a Monroe piercing. While technically they're not all included in one set, WhisperingSimmer has included them all on one page, which makes it super easy to download them all (or pick and choose if you just want a few)! On the left hand column, just select "PIERCINGS" under where it says "ACCESSORIES" and get to downloading! This mini cc pack is all for infants! This pack is perfect for that fresh-from-the-hospital nooboo in your household. This Sims 4 cc pack includes: 3 infant hair cc, a hat recolor, a diaper recolor, a swaddle recolor, a hospital bracelet and anklet, a hospital bassinet, and the most precious birth announcement sign cc! Note: there are two additional meshes you need to download for the full set to work, so be sure to read the post details carefully to catch them! Being totally honest, this isn't the most gameplay-practical of all the Sims 4 cc packs, BUT I still love it! It's perfect for having a little photoshoot with your brand new baby to frame and put on the walls of your Sims family home! If you're looking for more infant cc, I've got some posts you might want to check out! I've rounded up infant hair cc, infant clothes cc, infant poses cc, and infant skin details! This toddler clothes cc pack is a MUST-HAVE for me! Good toddler cc is so hard to come by, compared to the other age groups, and I love how versatile this set it. The creator made it specifically with formal wear in mind, but I think these pieces lean just-casual enough that they work for everyday clothes as well. If you're dying for more toddler cc, I have a toddler hair cc round-up you might wanna check out! I'm trying to round up Sims 4 cc packs for the whole family (and the whole house!) so there was no way I could leave the tots out of this one. Plus, aren't these outfits so cute?! I love the untucked shirt, and the peter pan collar sweater cc! I hope y'all enjoy this one! I think we can all agree the First Fits Kit was a pretty shared experience, but I'm not going to lie, I was OBSESSED with this toddler cc pack! Like, genuinely, some of the cutest toddler clothing cc I have in my game. Before we got infants, I liked dressing my toddlers a little younger, to make up for the fact that we didn't have true babies in the game. But now, I like making my toddlers look like actual preschool-age kids, and this cc pack is perfect for that! I can't even pick a favorite piece from this set because I love it all so much. Jius-sims cc shoes are some of my favorites, and right now, I am loving the Vacation Collection! I think it gives a great variety of casual and fancy. Plus, I will never be able to resist those classic checkered vans cc! Lol. And the daisy sandals! This set includes 5 brand new cc shoes! You'll get: platform sandals cc, espadrilles cc, checkered Vans cc, platform slippers cc, and suede sandals cc. I'll be honest, sometimes I forget shoe cc even exists, lol. Shoes are where I pay the least attention in CAS, but they really do bring your look to the next level. And I love the unique attention to detail Jius-Sims always has in their shoe cc! Plus, they're always the cutest, trendiest styles. You'll definitely want to add this to your Sims 4 cc packs collection! And if you're looking for some more formal shoe options, I also love their Coco Collection! Confession: I also forgot about jewelry cc in my game, often!
